Autumn Term

15<sup>th</sup> September 2023

## A message from Mrs Aris...

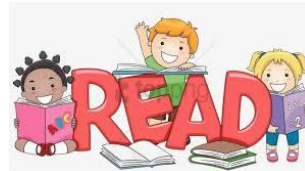

Thank you for a lovely week Reception, you have settled into our school very well. I have been so impressed with how independent you all are, carrying your tray at lunchtime, zipping up your coat at breaktimes and using the toilets independently - what a fantastic start!

Today we met our Year 6 buddies, the children were so excited. There will be a chance for you to meet their Year 6 buddies at our Welcome Assembly. At the end of the assembly the children will be able to come over to you with their buddies. During the assembly we will keep the children sat with us.

Our School Policy is that children read their reading book three times; this is to develop fluency and their comprehension skills. While the children are on non-word books, we will only ask for their book to be read twice. We will try to read with your child as much as possible in school however we do lots of other types of reading too so we might not always record this in their reading diaries.

The children's library book is to be read **to them** by a family member.
