

Reception News

Spring Term

12th January 2024

A message from Mrs Aris...

Reception have had such a busy week; lots of writing and artwork.

We have been looking at the Arctic and animals we would find there. The children created fabulous polar bears and they are now on display in our classroom.

Have a lovely weekend,

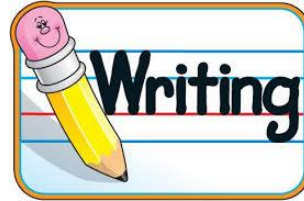

Mrs Aris

This week we have been working on our writing and letter formation. We have been writing words and sentences using our phonetic knowledge. The children are becoming confident in being able to sound out words independently. We will continue to work on this over the half term.

In R.E we have been looking at the wise men and their journey to meet Baby Jesus. The children thought about presents they would bring Baby Jesus. We also designed a star for the wise men to follow and did fantastic writing to describe our star.

P.E Day - Tuesday

Library Day - Wednesday

Please continue to read every night with your child.

Thank you

In Math's, we have been looking at numbers to 10, starting from 0. Next week we will be reading the story 'None the Number'.
