Spring Term

9<sup>th</sup> February 2024

## A message from Mrs Aris...

Wow, have the children worked hard this half term. We have done so much learning and they have made so much progress. Parent Consultations are on Wednesday 6<sup>th</sup> and Thursday 7<sup>th</sup> March - Appointments will go live on MCAS nearer the time. Please book an appointment on one of these nights, unfortunately I am unable to see parents on other nights due to other work commitments. (Mrs Barnett has put this on her weekly newsletter too.)

The children have really enjoyed their swimming lessons in school and I am so proud of the children for showing so much resilience when learning new swimming techniques.

Have a lovely weekend,  
Mrs Aris

This week we have continued to work on writing sentences independently using our phonetic knowledge. The children have also been working on their letter formation all half term and we have seen so much improvement from them all. If you would like to work on this at home, then please let me know and I can provide letter formation sheets at Parent Consultations.

In R.E we have been thinking about how we can work together as a team like Jesus' disciples. We have also been reading the story 'The Big Umbrella.'

P.E Day - Tuesday

Library Day - Wednesday

Please continue to read every night with your child.

Thank you

1 less	The same as	1 more

In Maths, we have been looking at finding one less than a number. We have been using lots of resources from around the classroom to demonstrate how to find one less.
