Spring Term

23rd February 2024

A message from Mrs Aris...

A busy but fun week! We all enjoyed playing golf and really impressed the instructors with our listening skills.

In Science we have started looking at the Jungle. We started our topic by looking at what the word camouflage means. The children enjoyed designing butterflies to camouflage on their feathers.

I will upload a photo of the display next week.

The children are so excited to show you their prayer and liturgy. Please let us know in their reading diary who is attending so we can tell the children.

Thank you

Have a lovely weekend,

Mrs Aris

This week we have been writing about 'The Gruffalo' using our best description words. We enjoyed experimenting with all the different materials to describe The Gruffalo's features, such as his poisonous warts and black, sticky tongue.

We then wrote about a new character to add to the story of 'The Gruffalo'.

In R.E we have been thinking about Lent and what this means.

We have been talking about being kind or doing something special in this time rather than giving something up.

Next week we will be looking at the story of Jesus going into the desert.

P.E Day - Tuesday

Library Day - Wednesday

Please continue to read every night with your child.

Thank you

In Maths, we have been looking at measuring carefully and accurately, we have been looking at objects that are tall and short. Next week we will be looking at building shelters for Jungle animals using our Mathematical knowledge.
