

# Reception News

Spring Term

15<sup>th</sup> March 2024

## A message from Mrs Aris...

Tuesday is Non-uniform Day in exchange for Easter Eggs, these are for the PTFA chocolate bingo on Friday 22<sup>nd</sup> March.

You may have noticed that this week we have started improving the Reception outdoor area. We have been blown away by the kind donations from different companies and people.

Thank you to Sid at Ribby Hall for preparing the area, power washing, cutting back bushes and helping us lay the bark.

Thank you to Ribby Hall for the kind donation of the bark - the children will now be able to use this area in all seasons!

Thank you to D & A Scrivens & Son for the donation of soil. The children will be planting bulbs and seeds in their own tyre so they can look after this throughout the year.

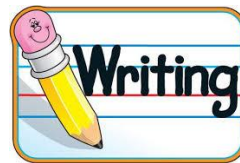

Thank you to Morrisons for the donation of plants to go in the tyres.

Thank you to Elsie's Mum, Stacy, who has given up so much time to get donations, arrange deliveries and help us to improve the area for the children.

Thank you to everyone who has donated seeds and pots.

Have a lovely weekend,

Mrs Aris

This week we have also been learning about the King. We did some wonderful writing on how important he is and what he does. Everyday we are working on our letter formation, making sure we start and finish in the correct place.

This week the children have been busy finishing our topic of the jungle; they have enjoyed making clay snakes and painting them. They look amazing!

We have also been making daffodils for our Spring display.

In Maths, we have been comparing numbers using Numicon, Multilink and Dominos. The children are becoming confident in recognising an amount without counting it.
