Summer Term

26th April 2024

A message from Mrs Aris...

Another week has flown by and it has been lovely to have some sun so we can play on the field.

The children have loved making vegetable soup, taking part in Forest School activities, and using the big climbing frame in P.E.

A very busy and tiring week.

On Monday we are visiting Kirkham Library. If your child is already registered please can they bring their library card so they can chose a book when we are there.

Have a lovely weekend,

Mrs Aris

This week we have continued to look at the story 'The Proudest Blue'. We have done lots of writing looking at how we would write a question; how we would start it and how we would end it with a question mark.

We have also been writing a recipe for vegetable soup. The children are continuing to work on their letter formation using our handwriting rhymes.

In R.E we have been looking at how we show our faith. We have also been talking about how to accept others and showing respect. The children have been very thoughtful when sharing ways in which we can show respect to everyone in God's world.

P.E Day - Tuesday

Library Day - Wednesday

Please continue to read every night with your child.

Thank you

In Maths, we have continued to work with numbers to 13 using different resources. We have also been revisiting number bonds to 10, this is reinforced with our Dojo points and when we receive a prize. Number formation is still an area we work on daily.
