

Key Learning:

To explain that the composition of digital images can be changed

- I can improve an image by rotating it
- I can explain why I might crop an image
- I can use photo editing software to crop an image
- I understand that editing images can be unethical

To explain that colours can be changed in digital images

- I can explain that different colour effects make you think and feel different things
- I can experiment with different colour effects
- I can explain why I chose certain colour effects

To explain how cloning can be used in photo editing

- I can add to the composition of an image by cloning
- I can identify how a photo edit can be improved
- I can remove parts of an image using cloning

To explain that images can be combined

- I can experiment with tools to select and copy part of an image
- I can use a range of tools to copy between images
- I can explain why photos might be edited

To combine images for a purpose

- I can describe the image I want to create
- I can choose suitable images for my project
- I can create a project that is a combination of other images

To evaluate how changes can improve an image

- I can review images against a given criteria
- I can use feedback to guide making changes
- I can combine text and my image to complete the project
