Year 6	2 Web Page Creation

Key Learning:

To review an existing website and consider its structure
- I can explore a website
- I can discuss the different types of media used on websites
- I know that websites are written in HTML

To plan the features of a web page
- I can recognise the common features of a web page
- I can suggest media to include on my page
- I can draw a web page layout that suits my purpose

To consider the ownership and use of images (copyright)
- I can say why I should use copyright-free images
- I can find copyright-free images
- I can describe what is meant by the term 'fair use'
- I know how to use technology respectfully and responsibly when online

To recognise the need to preview pages
- I can add content to my own web page
- I can preview what my web page looks like
- I can evaluate what my web page looks like on different devices and suggest/make edits.

To outline the need for a navigation path
- I can explain what a navigation path is
- I can describe why navigation paths are useful
- I can make multiple web pages and link them using hyperlinks

To recognise the implications of linking to content owned by other people
- I can explain the implication of linking to content owned by others
- I can create hyperlinks to link to other people's work
- I can evaluate the user experience of a website
